Volume 1

Serving the youth of our community since 1965

Welcome to the start of 2011 season at Seymour Pop Warner! This will be the ONLY Tiger Beat that will be printed and sent home this season. The Tiger Beat will be available by signing up on our website for the weekly email or you can get it off the website every Friday evening after 8:00PM. If you need a printed copy stop by the field house and we will print one out for you.

All paperwork for this season should have been turned in to us already. This includes final reports cards and supplement grades for art, languages etc.

There will be a parents meeting Thursday August 25 at 8:00 PM before our pep rally outside of the field house.

Only players, cheerleaders, coaches and our medical staff are allowed on ANY of the practice fields. All parents and siblings are to stay behind the fences of both the football and cheerleading practices. No one is allowed on the main football field at any time. Please throw away your trash especially water bottles as we have been cleaning them up nightly. Refrain from smoking at Seymour High School as it is a smoke free facility.

Do not park in any emergency lanes, sidewalks, grass or in the middle of the parking lot below the ramp as we need access for emergency vehicles to be able get to all practice fields. Illegally parked cars will be ticketed.

In cases of inclement weather the coaches will be making phone calls by 5:30 PM to cancel practice. Football does practice in the rain. If you do not receive a call please let your coach know and verify your phone number with them.

We still need help with the following positions: Medical Staff for practices and games, Assistant Equipment Director, Team Moms & Dads, Food Booth Help and Equipment Managers for football teams.

**We will be selling fried dough every Thursday and Friday nights during the month of August.** Help is needed every night to sell hot dogs and soda and you can stop by the field house to volunteer.

## **Fundraising News:**

We are doing a "calendar card" fundraiser this year. Tickets will be issued on Monday August 15 after practice. For any questions or to return sold tickets please see Margaret Lepri, Ruben Caiza or Kim Hink-Gargano.

## **Cheer News:**

We are having a Pep Rally to kick off the 2011 season on Thursday, August 25<sup>th</sup> at 8:15 PM. Seymour Pink will be at practice before the Pep Rally selling tee shirts to help support breast cancer research. Order forms are available on our website and orders can be dropped off at the field house.
